The "Fifty Shades of Grey" movie adaptation stays close to the book. A little too close, perhaps, when it includes garbage dialogue like "Later, baby," and at least one cry of "Holy cow!" Book Review Between Shades of Gray by Ruta Sepetys

While Between Shades of Gray is a powerful and important story, Sepetys debut novel lacks the skill with words and raw emotional resonance that would make it truly, hauntingly unforgettable. Lina s narrative is simple and direct, emotions layered on one two-dimensional plane without deeper nuance or gravitas.

Parent reviews for Between Shades of Gray Common Sense Media

I think Between Shades of Gray was a good book. One thing I didn't like about the book was, that lot's of people died. Also, there were a few things I liked about it. The first reason is, the kids found there dad on a train that was going to Siberia. In my opinion, this wouldn't be the book for younger children, because it has a some abusing in it.
