Can you solo a public dungeon Elder Scrolls Online

Yes you can - I have soloed a couple of normals just to test them, but I don't run dungeons for fun, so don't make a habit of it. Players with enormous DPS tend to have an easier time when running solo. I tend to do solo dungeons and world bosses on characters with very good sustain, so I can wear bosses down without running out of resources.

Discussion The spawn time for the bosses in public

The mechanic in there is different. If you are camping a boss, you're doing it wrong. Most Public Dungeons have five champions which SHARE a spawn timer. I believe only 2 (maybe 3) of the bosses can be up at once. When one dies, another (perhaps even the same one) will spawn "shortly".
