Hunter's Way Hunter 1 by Gerri Hill Goodreads

This is one of my all-time favorite Gerri Hill books and as such, there was a very high bar for the audio version to live up to the written word. And though we know in 2019 that Abby Craden has honed her craft to where she's one of the very best narrators in the business, this was recorded in 2015.

Bio Gerri Hill

Gerri's love of nature and of being outdoors usually makes its way into her stories as her characters often find themselves in beautiful natural settings. When she isn't writing, Gerri and her longtime partner, Diane, can be found at their home in East Texas, where their vegetable garden, orchard, and five acres of woods keep them busy.
