Linguistic Borrowing in Bilingual Contexts John Benjamins

A number of previous approaches to linguistic borrowing and contact phenomena in general have concluded that there are no formal boundaries whatsoever to the kinds of material that can pass from one language into another. At the same time, various hierarchies illustrate that some things are indeed more likely to be borrowed than others. ;*Linguistic Borrowing in Bilingual Contexts*</i>>

Code Switching vs Borrowing in Bilingual Children

Borrowing or Mixing Languages. Code-switching is the use of two separate languages back to back. Borrowing, on the other hand, means using one primary language, but mixing in words or ideas from another. In borrowing, the child speaks one language, and alters vocabulary from another to fit the primary language.
