The period following the Civil War is known as the era of Reconstruction. The divisive issue of slavery had torn the nation apart. Rebuilding the nation would be a long struggle full of political battles as fierce as those recently waged with cannon and rifle. Three Constitutional Amendments were passed, the 13th, ending slavery, the 14th, granting civil rights to those freed slaves, and the

Reconstruction Summary Analysis Shmoop

Reconstruction-era instances of corruption or bribery were vastly exaggerated. The nation's foremost scholars, especially historians, wrote seething histories of the period that decried the supposedly deplorable treatment of white Southerners and spun overtly racist tales concerning the ignorance and savage lust of Black officeholders.

20a The Election of 1800 US History

The election of 1800 between John Adams and Thomas Jefferson was an emotional and hard-fought campaign. Each side believed that victory by the other would ruin the nation. Federalists attacked Jefferson as an un-Christian deist whose sympathy for the French Revolution would bring similar bloodshed and chaos to the United States.
